

*Philadelphia Emergency Fund for  
Stabilization of Early Education (PEFSEE)*  
**Award Summary –**

The Philadelphia Emergency Fund for Stabilization of Early Education (PEFSEE) aims to ensure that Philadelphia’s early learning sector can weather the COVID-19 crisis. PEFSEE is funded through grants from the William Penn Foundation and Vanguard’s Strong Start for Kids Program™ and is administered by Reinvestment Fund. The following is a summary of awards for applications received during the nearly six week application window (April 6 through May 12).

Awardees	Total Number of Awardees	Percent of Total Awards	Total Dollar Amount Awarded	Percent of Total Dollars Awarded	Licensed Capacity of Awardee	Number of FT/PT Staff Employed	
						1-Feb	1-Apr
Centers	187	45%	\$ 2,639,380	53%	12,765	2,109	1,480
Multi-site	101	24%	\$ 1,675,280	33%	17,416	2,842	2,238
Homes	76	18%	\$ 316,111	6%	465	132	78
Groups	46	11%	\$ 289,547	6%	541	224	55
Other	5	1%	\$ 82,072	2%			
<b>Total</b>	<b>415</b>	<b>100%</b>	<b>\$ 5,002,390</b>	<b>100%</b>	<b>31,187</b>	<b>5,307</b>	<b>3,851</b>

- **600 total applications** received from launch on April 6 to May 12, 2020.
- **\$5 million** in grant awards to 415 childcare providers, early intervention and home visiting services.
- 45% of awardees are single-site centers; 24% are multi-site providers; 18% are home-based providers; and 11% are group providers.
- High-quality (STARS 3 and 4) providers and STARS 2 (majority of which participate in move-up or quality improvement activities) make up 61% of awardees; and 39% were STARS 1.
- Of the total awardees, 87% are women-owned organizations and 74% are people of color.
- The awards are expected to preserve 3,851 jobs in the sector at the same level of employment prior to the crisis with another 1,221 jobs at a portion of pay/benefits.
- Funds will maintain **31,187** of Philadelphia’s licensed childcare seat capacity.

PEFSEE aims to replace lost revenue for providers who have had to close operations due to the pandemic or to cover additional expenses incurred as a result of continued or modified operations. Funding made available to date prioritized early learning organizations (serving majority children ages 0-5) that need support to sustain basic expenses, particularly payroll and rent and mortgage assistance; those offering temporary educational enrichment or supporting child and family needs such as diapers, formula; and those offering care for children of essential workers.

PEFSEE’s goal remains constant: that upon the conclusion of this crisis, high-quality early learning services for children ages 0-5 are maintained in locations providing access to high-quality care for our city’s most vulnerable populations.

Have questions? Email us at [PEFSEE@reinvestment.com](mailto:PEFSEE@reinvestment.com)

**Grant Awardees**
