

## WeVision EarlyEd Alignment Fund

Reinvestment Fund is partnering with [Bainum Family Foundation](#) to support existing WeVision EarlyEd Solutions Lab sites, with an initial focus on sites with multiple locations. Only existing WeVision EarlyEd Solutions Lab sites with multiple sites or locations are eligible for this grant opportunity at this moment. WeVision EarlyEd Solutions Lab sites seeking support in aligning their non-lab sites are eligible for up to \$100k in grant funding. Lab sites seeking support in expanding locations are eligible for up to \$300k in grant funding. This fund is now open and currently accepting Letters of Intent (LOIs).

Please see more details on the Fund and the funding options available through it below. [LOIs are currently being accepted and will be reviewed on a rolling basis through August 29<sup>th</sup>, 2025.](#)

### General Eligibility

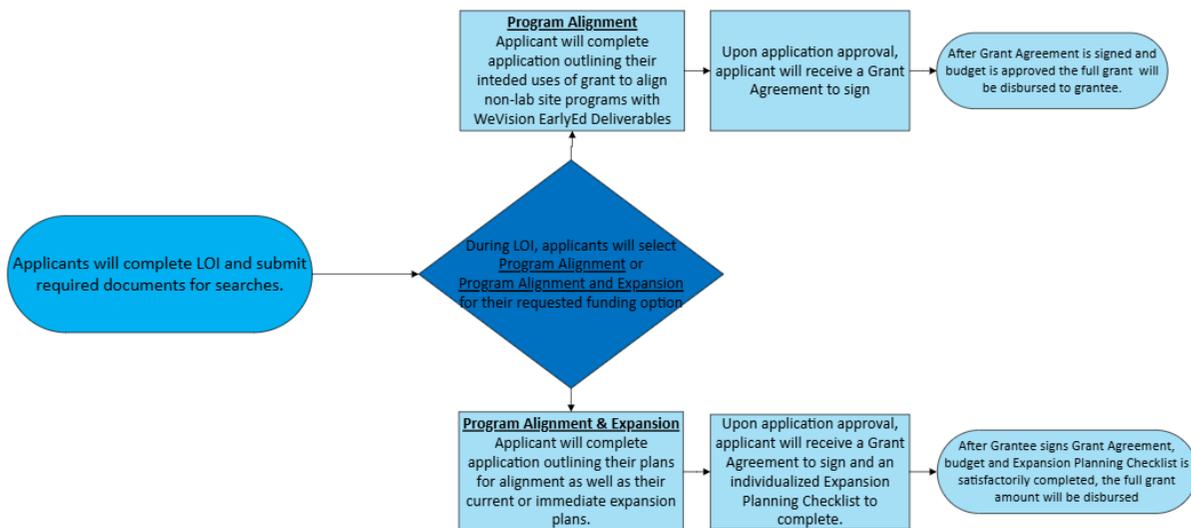

- Entity must have a WeVision EarlyEd Solutions Lab Site.
- Entity must currently operate multiple ECE sites or have a planned expansion to an additional site.
- Program must be in good standing and have an active Child Care License.

### Breakdown of Funding Options

| <i>Program Alignment</i>   | <i>Program Alignment and Expansion</i>  |
|--|---|
| One grant of up to \$100,000   | One grant of up to \$300,000  |
| This option is currently for WeVision EarlyEd Solutions Lab sites that are seeking to align their non-lab site(s) with the WeVision EarlyEd initiative. Applicants will craft a budget explaining how grant funds will be used to align their non-lab site(s) to one or more WeVision EarlyEd Solutions Lab deliverables. Each grant awarded will be up to \$100k. | This option is currently for WeVision EarlyEd Solutions Lab sites that have recently expanded or plan to start an expansion to an additional site. This funding can be used to offset capital costs of expansion or to ensure that the additional location can meet one or more of the WeVision EarlyEd Solutions Lab deliverables upon completion. Applicants will be asked to submit a budget that outlines the use of funds and enrollment data; applicants will need to share details about the planned or current expansion. After applying, the selected WeVision EarlyEd Solutions Lab sites will need to complete a workplan (see below) to access grants funding up to \$300k. |

Eligible use of funds is based on the [WeVision Early ED Deliverables](#). While completing their LOI, applicants can explain their intended uses and how they align with the Deliverables.

## Funding Process

## Support and Additional Questions

Please review the WeVision EarlyEd Deliverables and our [website](#) for additional details, including how to set up a SmartSimple account to complete and submit your LOI.

If you have any additional questions or need technical support completing the LOI, please contact Jacob Kurtz and [jacob.kurtz@reinvestment.com](mailto:jacob.kurtz@reinvestment.com) please use “WeVision EarlyEd Support” in the subject line of your email.
